The draw with game times will be posted on the noticeboard in the student foyer as soon as notification has been given from North Harbour Basketball. Weekly draws can also be found on the following website [www.harbourbasketball.co.nz](http://www.harbourbasketball.co.nz).

All trials will be held in the school gym. Students are to wear their PE gear and remember their drink bottle. Players will not be able to trial in bare feet. If your child is a beginner, they do not need to attend trials, they will be placed in a beginner team. However, if they wish to be considered for a higher team, they can attend the trial. Please check your email daily for notification of second trial time.

### Coaches, Managers

Each team will need a coach and manager. If we cannot get enough coaches we will have to reduce the number of teams and unfortunately some children will miss out on playing. Each team will have a practice with a professional coach, so the team coaches' main responsibility will be in charge of teams and substitutions during the game. Manager's duties include contacting the team, filling out the score sheet ten minutes before the game and organising a parent to do score bench. Any help will be greatly appreciated.

Thank you for your support in Basketball. We look forward to another successful season for Northcross Intermediate School.
