

NORTHCROSS INTERMEDIATE SCHOOL NETBALL 2017

Registration is now open for those students wanting to play Netball for Northcross this year. Before they commit to this sport there is some very important information you need to know.

Games and Venue

Games are played at Netball North Harbour, Onewa Rd on a Thursday afternoon with rounds starting at 4pm and played at 45 minute intervals, with the final game starting at 7pm. Grading games commence Thursday 4 May 2017, and Competition games will begin Thursday 1 June 2017. All information regarding games and times can be found at www.netballnorthharbour.co.nz once competition commences.

Fees **Girls and Boys \$155.00**

To register your child for Netball this year, you will need to go to the NX Online Shop (you can find the link on the Northcross Website). A \$50 deposit will be required with registration. Once teams have been formed, the balance will be loaded onto your child's account and will be required to be paid (via the NX Online Shop) at some stage during the Netball season. This deposit is non-refundable. **Registrations close on Tuesday 14 February - 3pm.**

Trials

All students who register, will be placed in a team, however in order to ensure your child has been placed in the team that is right for them, trials will take place. The trials will be held at Northcross during the school day, the players being released periodically from their classes when called. Call backs to finalise team placements may be held after school. Although we appreciate the support from parents, due to the format of the trials it is advised that parents do not attend.

Trials will take place on Friday 17 February (Year 7's) & Monday 20 February (Year 8's) from 9am – 3pm. Friday 24 February will be used as a Save Day/Callback Day.

Coaches, Managers and Umpires

Each team will need a coach and manager. If we cannot get enough coaches we will have to reduce the number of teams and unfortunately some children will miss out on playing. If you are interested in being a coach or manager for Netball, please indicate below. We will be holding a practical Coaching Workshop for all Netball coaches run by Netball Harbour, date and time are to be confirmed.

Netball North Harbour will be holding additional Coaching Courses for those who wish to attend. Please see their website for further details regarding this.

If you have any questions or queries regarding Northcross Netball, please feel free to email me.

Thank you for your support in netball. We look forward to another successful season for Northcross Intermediate School.

Warm Regards,

Shannon Hale
Director of Sport/ Netball Coordinator
