Season Dates: First Round begins Thursday 19th October (Term 4)

FINALS: Thursday 7th December (Term 4)

How to Register for Northcross Touch in Term 4!

You will need to attend as many trials as possible to be seen. We understand you have other commitments, but the more we see you, the better it is for you!

You have two options when it comes to Northcross Touch:

1. You can trial for a competitive team and we put you in a team according to your ability level, NOT whether you are Year 7 or Y8.
2. You can put a Social Team together with your mates (basically like you do for Indoor Soccer and 3 on 3 Touch.)

Competitive Teams

If you select this option, you will need to attend trials. You will then be put into a team according to your ability (so might be Y7 and Y8's in team) and your team will be appointed a coach (if we can.)

Social Teams

If you select this option, you will need to sort out your team **BEFORE** you register on the Google Form as there are questions that are required to be completed before you submit your registration. For example, the name of your team. You will also need to find a coach to train you and look after your team on the night if you choose this option.

Once you have decided if you are playing then it is simply a case of registering via the Google Form which will be up on School Website and sent to all students and paying via the Online Shop. You will have to register before you pay!

Key Dates/Deadlines

Both Competitive and Social Players must be **registered by Friday 8th September. (Week 7-Term 3.)**

Once registered, **payment** to be made via Online Shop by **Friday 29th September. (Week 10-Term 3)**

Please note: If your child is not registered then they cannot trial.
