

## NORTHCROSS BYOD

### BYOD Evening Thursday 23 November at Noel Leeming in Albany

#### Dear Parents and Caregivers

A special welcome to all parents of Year 6 students who will be joining us next year. Our first **unofficial** parent meeting this term will be held at the Noel Leeming Albany store on Thursday 23 November 4pm – 8pm. This is an annual event where Noel Leeming offers parents and caregivers of Northcross students (this includes any Year 6's that have enrolled for 2018) the opportunity to buy devices and goods at discounted prices.

**The BYOD evening** will give you the opportunity to view a range of computers and mobile devices that can be used at our school as part of our 'Bring Your Own Device' option.

Please check out the flyer link on this page and the special rates that Noel Leeming are offering to our community. There will be discounts and specials on a range of accessories, such as bags, flash drives and headphones (3 year warranty optional). There will be a range of other devices also at great prices for those attending Northcross next year. There is certainly no obligation to buy, maybe just come along and stare longingly at the 80 inch TVs and enjoy a night out window shopping.

Kind regards

**Jonathon Tredray**  
Principal Northcross Intermediate
