## PBC Information for Routes operating with Electronic Smart Cards

**There are two types of payment options on the electronically ticketed routes:**

**Single fare:** Cash payment is made to the driver for one ride only (no Smart Card required)

**Smart Card:** Load credit onto Smart Card in \$10 multiples

There is an initial one-off cost of \$10 to purchase the required smart card. Smart cards and all top ups can be purchased from the driver on the bus. Note that top ups need to be \$10 or more (and preferably in multiples of 10 (eg \$10, \$20, \$30 etc). Please have exact change for the amount you wish to load onto your card. Your card can be used for any fare, so if you need to use another one of our services to travel to a different fare zone the same card can now be used.
